As the Federal Member of Parliament for Sarnia-Lambton, I am pleased to add my support to the Lambton Children's Safety Village.

This valuable project will provide the youth in our community an educational facility to enhance their safety in a hands-on environment that they will remember and practice well into adulthood.

On behalf of the Federal Government, I would like to congratulate your committee on their initiative and efforts to create the Lambton Children's Safety Village and wish your committee continued success in achieving this very valuable project.

Sincerely,
