RE: LAMBTONS CHILDRENS SAFETY VILLAGE - LETTER OF SUPPORT

On behalf of the Lambton Ontario Provincial Police, I would like to congratulate your committee on their initiative to create the Lambton Children's Safety Village.

This innovative community project will build a safer future for youth of all ages by reducing preventable accidents and give our local youth a place to practice the safety rules they have learned.

The Lambton OPP along with the Lambton Group Police Services Board and the Point Edward Police Services Board fully support this initiative.

Once again, I wish your committee continued success in achieving this proactive vision of the Safety Village. Best of luck!

Yours truly,
