Dear MaryAnn Buntrock,

The Sarnia Lambton Chamber of Commerce is 1000+ member businesses strong in Sarnia Lambton. Our members employ over 19 500 persons in our community. On their behalf I am writing to indicate that the Chamber of Commerce fully supports the Lambton Children's Safety Village.

Corporate leaders know that in any business protecting one's capital is the only way to stay successful. This is also true with human capital. Our children are our most precious resource and the Lambton Children's Safety Village will provide a fun place for our children to learn why safety is important and that adults in their community care about them by providing this special place just for them.

Children today face many difficult and new challenges that we as adults never had to face and this village will allow children to learn valuable lessons that will keep them safe along with the adults in their lives. This will in turn lead to a healthier, injury free work force in the future.

If you wish to discuss this further please do not hesitate to contact me at 519-336-2400 or gmdonald@sarnialambtonchamber.com

Sincerely,
